

IgE RECOMBINANT

CATALOG NUMBER: D3040-R

LOT NUMBER: TBD

| | | | |
|-------------|----------------------------------|-------------------|----------------|
| Storage: | -20°C or Colder | Expiration Date: | <Lot Specific> |
| Source: | Cell Line Supernatant | Manufacture Date: | <Lot Specific> |
| Buffer: | 0.1M Tris/0.2M NaCl pH 7.5 ± 0.1 | Bioburden: | ≤1 CFU/mL |
| Filtration: | 0.2 µm filtered | | |

Representative Product Data sheet

| Testing | Specifications | Unit of Measurement | Methodology |
|----------------------|----------------|---------------------|-----------------|
| Protein Quantitation | 7.25* | mg/mL | cobas IgE Assay |
| IgE | 3,187,667* | IU/mL | Centaur |
| Total Protein | 18.74* | O.D. Units | OD280 |

*Specific lot values may vary

OTHER:

All fetal bovine serum from which this product was manufactured was collected at USDA inspected abattoirs within the United States of America.

TESTING:

The Cell Line Supernatant was tested and found non-reactive for HIV 1/2, HBsAg, HCV, HIV-1 (NAT), HCV (NAT) and RPR by current FDA methods. Please note that the samples tested were Cell Culture Supernatants, not serum and not appropriate for use in these assays.

CAUTION:

In-Vitro use only. Products are intended for research or manufacturing of non-injectable products only. This material was tested as stated above in the testing section. Nevertheless, products of human origin should be considered potentially infectious and handled according to universal precautions. The safe and responsible handling of the products listed above is the responsibility of the customer. We accept no liability for injury or illness resulting from the use and/or handling of the product. The customer assumes responsibility for the proper disposal of all materials in accordance with Federal and State regulation.

WARRANTY:

Golden West BioSolutions, LLC makes no claim or warranty that this product will perform or is suitable for use in a customer's application. It is the customer's responsibility to evaluate and qualify the product's suitability for the customer's intended use or application. Furthermore, this product is a biological material and lots may vary so it is the customer's responsibility to determine if an evaluation of each lot is warranted.
